

*exercises authority, and shall divide each sanitary district into water, sewerage and drainage districts in such way as shall, in its judgment, best serve the needs of the various communities, and shall promote convenience and economy of installation and operation. Whenever, and as, such plans are completed, the Commission shall give notice by publication in one newspaper published within the County, for three weeks, and by handbills posted and circulated in the localities where said improvements are contemplated, and shall state in said notice the probable cost of the contemplated improvements, and shall further state therein that plans of the improvements may be inspected at the Commission's office and that any person interested in said improvements will be heard by the Commission at a time to be specified in the notice, but not less than ten days after first publication thereof. If twenty-five residents and landowners in the sanitary district wherein the improvements are contemplated shall thereupon, and within ten days after the last of said publications of said notice, file a petition with the Commission protesting against the proposed improvement, the Commission shall grant them a hearing within ten days after such petition is filed in the office of the Commission and after not less than five days notice of the time and place of said hearing by advertisement published in one newspaper published within the County, and by personal notices addressed to any one or more persons whose names are signed to said petition. After due hearing as aforesaid, the Commission shall decide upon the reasonableness of the objections stated in the petition; and shall dispose of the same by written order concurred in by a majority of the Commissioners, which order shall be published in the same manner as notices are herein required to be published and a copy of which shall be mailed to any one or more of the petitioners. If the petitioners are not satisfied with the Commission's decision they shall have the right to take and enter, within ten days after the last publication of said order as aforesaid, an appeal to the governing body of said county who shall review the Commission's decision and decide as to the necessity and propriety of the improvement contemplated and whether the District can stand the cost of the same; if the petitioners are not satisfied with the governing body of said county's decision, they shall have ten days in which to file an appeal in writing in the Circuit Court of said County.*

882. (a) *For the purpose of providing funds for the design, construction, establishment, purchase or condemnation of water supply, sewerage, and drainage systems in any of the sanitary districts, the Commission of any particular District is authorized and empowered to issue bonds, from time to time, upon the full faith and credit of the county in which said District is located, in such amounts as it may deem to be necessary to carry on its work, but at no time shall the total issue of bonds in any sanitary district for all purposes under this sub-title exceed twenty-five per centum of the total value of the property assessed for county taxation purposes within said sanitary district. The bonds of each issue shall be dated, shall bear interest at such rate or rates not exceeding five per centum per annum, shall mature at such time or times not exceeding forty years from their date or dates, as may be determined by the Commission, and may be made redeemable before maturity, at the option of the Commission, at such price or prices and under such terms and conditions as may be fixed by the Commission prior to the issuance of the bonds. The Commission shall determine the form of the bonds, including any*
